STATEMENT REGARDING SMALL ENTITY

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to MPEP § 509.03 ( the relevant portion cited below) regarding the small entity, since the small entity status in the above-referenced patent application was previously established, Applicant will continue to pay the small entity fees until an issue fee or maintenance fee is due as required.

Once small entity status is established in an application or patent, fees as a small entity may thereafter be paid in that application or patent without regard to a change in status until the issue fee is due or any maintenance fee is due. 37 CFR 1.27(g)(1). 37 CFR 1.27(g)(2) requires that notification of any change in status resulting in loss of entitlement to small entity status be filed in the application or patent prior to paying, or at the time of paying, the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate. 37 CFR 1.27(g)(2) also requires that the notification of loss of entitlement to small entity status be in the form of a specific written assertion to that extent, rather than only payment of a non-small entity fee

Should there remain unresolved issues regarding this matter, it is respectfully requested that the Examiner telephone Mark E. Olds, Applicants' Attorney at 1.703.621.7140 so that such issues may be resolved as expeditiously as possible.

Respectfully Submitted,
